TARIFF FORMAT

- A. Page Numbering** - Page numbers appear in the upper right corner of the page. Pages are numbered sequentially. However, new pages are occasionally added to the tariff. When a new page is added between pages already in effect, a decimal is added.
- B. Page Revision Numbers** - Revision numbers also appear in the upper right corner of each page. These numbers are used to determine the most current page version on file with the Commission. For example, the 4th revised Page 14 cancels the 3rd revised Page 14. Because of the various suspension periods and deferrals the Commission follows in its tariff approval process, the most current page number on file with the Commission is not always the tariff page in effect. Consult the check sheet for the page currently in effect.
- C. Paragraph Numbering Sequence** - There are nine levels of paragraph coding. Each level of coding is subservient to its next higher level:

- D. Check Sheets** - When a tariff filing is made with the Commission an updated check sheet accompanies the filing. The check sheet lists the pages contained in the tariff, with a cross reference to the current revision number. When new pages are added, the check sheet is changed to reflect the revision. All revisions made in a given filing are designated by an asterisk (*). There shall be no other symbols used on this page if these are the only changes made to it. The tariff user should refer to the latest check sheet to find out if a particular page is the most current on file with the Commission.

SECTION 2 - RULES AND REGULATIONS

2.1 Application of Tariff

- 2.1.1 This tariff contains the regulations and rates applicable to dedicated telecommunications services provided by the Company to business customers only. The services described in this tariff are not offered to residential customers. The tariff is governed and interpreted according to the Laws of Louisiana.

This tariff applies only to the extent that services provided hereunder are used by a Customer for the purpose of originating, terminating, or completing intrastate communications between points within the State of Louisiana and the Customer has not entered into an agreement with the Company regulating the ICB rates, terms, conditions and charges. A communication is “intrastate” only if all points of origination and termination are located within the State.

2.2 Scope

The Company undertakes to furnish dedicated services in accordance with the terms and conditions set forth in this Tariff except where the Company has entered into an agreement with a Customer regulating the ICB rates, terms, conditions and charges. The provision of service under this tariff shall not create a partnership or joint venture between the Company and Customer.

2.3 Shortage of Equipment and Facilities

All service is subject to the availability of suitable facilities and where the Company can secure acceptable arrangements with underlying suppliers (for resold or other leased services). The Company may deny service, limit the length of service, or discontinue furnishing services when necessary because of the lack of acceptable transmission medium capacity, the unavailability of equipment and facilities, or because of any causes beyond its control.

2.4 Terms and Conditions

- 2.4.1 Service is provided on the basis of a minimum period of at least one month, 24-hours per day. For the purpose of computing charges in this Tariff, a month is considered to have 30 days.

SECTION 2 - RULES AND REGULATIONS (Cont'd)

Customers will also be required to execute any other documents as may be reasonably requested by the Company to supplement the terms and conditions contained in this Tariff.
- 2.4.3 The Company will make reasonable efforts to meet a Customer’s Requested Start Date. In the event that a Requested Start Date is altered, Customer’s Requested Start Date will be changed to reflect the number of days of delay or advance, as appropriate (the “Service Commencement Date”).
- 2.4.4 The Company’s standard service implementation interval for services provided on the Company’s owned and operated facilities is forty-five (45) days from acceptance of a Service Order by the Company’s Customer Care department. Such acceptance shall be indicated by the signature of a representative of such department on the Service Order. The standard service implementation interval for services provided by a third party and either partially or wholly off of the Company’s owned and operated network shall be determined on an ICB. The Company shall make reasonable efforts to provide services within its standard service implementation interval or on Customer’s Requested Start Date and shall not be liable to pay to the Customer any penalties or damages for Company’s failure to meet such standard service implementation intervals.
- 2.4.5 Services shall be deemed to begin on the date the Company issues notice that service is available (the “Service Commencement Date”), unless the Company receives written notice from the Customer within two (2) business days after the Company’s issuance of notice that service is available, stating that the service is in material non-compliance with applicable technical specifications.

SECTION 2 - RULES AND REGULATIONS (Cont'd)

2.5 Limitations on Liability

- 2.5.1 Except as otherwise stated in this section, the liability of the Company for damages arising out of either: (1) the furnishing of its services, including, but not limited to mistakes, omissions, interruptions, delays, or errors, or other defects, representatives, or use of these services or (2) the failure to furnish its service, whether caused by acts or omission, shall be limited to the extension of Outage Credits to the Customer for interruptions in service as set forth in section 2.15 of this Tariff.
- 2.5.2 Except for the extension of Outage Credits to the Customer for interruptions in service, the Company shall not be liable to a Customer or third party for any direct, indirect, special, incidental, reliance, consequential, exemplary or punitive damages, including, but not limited to, loss of revenue or profits, for any reason whatsoever, including but not limited to any act or omission, failure to perform, delay, interruption, failure to provide any service, or any failure or breakdown of facilities associated with the service.

 - C. Any unlawful or unauthorized use of the Company's facilities and services;
 - D. Libel, slander, invasion of privacy, or infringement of patents, trade secrets, or copyrights arising from or in connection with the transmission of communications by means of Company-provided facilities or services; or by means of the combination of Company-provided facilities or services with Customer-provided facilities or services;

SECTION 2 - RULES AND REGULATIONS (Cont'd)

- E. Breach in the privacy or security of communications transmitted over the Company's facilities;
 - F. Changes in any of the facilities, operations or procedures of the Company that render any equipment, facilities or services provided by the Customer obsolete, or require modification or alteration of such equipment, facilities or services, or otherwise affect their use or performance, except where reasonable notice is required by the Company and is not provided to the Customer, in which event the Company's liability is limited as set forth in this Tariff.

- 2.5.4 The Company and the Customer shall defend, indemnify and hold harmless the other against and from any and all claims for property damage, physical personal injury or wrongful death to the extent that such arises out of the gross negligence or willful misconduct of the respective indemnifying party, its employees, agents, or contractors in connection with the provision or use of service or other performance.
- 2.5.5 THE COMPANY MAKES NO WARRANTIES OR REPRESENTATIONS, EXPRESS OR IMPLIED EITHER IN FACT OR BY OPERATION OF LAW, INCLUDING WITHOUT LIMITATION THE IMPLIED WARRANTY OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, EXCEPT THOSE EXPRESSLY SET FORTH HEREIN. THE OUTAGE CREDITS REMEDY SET FORTH IN SECTION 2.15 IS THE SOLE AND EXCLUSIVE REMEDY PROVIDED TO CUSTOMER AND IS IN LIEU OF ALL OTHER REMEDIES.

2.5.6 Customers shall make all arrangements with copyright holders, music licensing organizations, performers' representatives or other parties for necessary authorizations, clearances or consents with respect to transmission contents ("Consents"). Customers shall indemnify and hold harmless the Company and Providers (as defined below) against and from any court, administrative or agency action, suit or similar proceeding, whether civil or criminal, private or public, brought against Providers arising out of or related to the contents transmitted hereunder (over Company's network or otherwise) including, but not limited to, claims, actual or alleged, relating to any violation of copyright law, export control laws, failure to procure Consents, failure to meet governmental or other technical broadcast standards, or that such transmission contents are libelous, slanderous, an invasion of privacy, pornographic, or otherwise unauthorized or illegal. Providers shall be defined to include the Company, any third party or affiliated provider, operator or maintenance/repair contractor of facilities employed in connection with the provision of services under this tariff. The Company may terminate or restrict any transmissions over the network if, in its judgment, (a) such actions are reasonably appropriate to avoid violation of applicable law; or (b) there is a reasonable risk that criminal, civil or administrative proceedings or investigations based upon the transmission contents shall be instituted against Providers. Customer agrees not to use services for any unlawful purpose, including without limitation any use that constitutes or may constitute a violation of any local, state or federal obscenity law.

2.6 Testing and Adjusting

Upon reasonable notice, the Company may make such tests, adjustments, and inspections as may be necessary to maintain the Company's facilities in satisfactory operating condition. No interruption allowance will be credited to the Customer for the period during which the Company makes such test, adjustments, or inspections.

2.7 Provision of Equipment and Facilities

2.7.1 The Customer has sole responsibility for installation, testing and operation of facilities, services and equipment ("Customer Facilities") other than those specifically provided by the Company as part of the services described in a Service Order. In no event will the untimely installation or non-operation of Customer Facilities relieve Customer of its obligation to pay charges for service after the Service Commencement Date.

2.7.2 Any equipment provided by the Customer must be itemized on a schedule listing all such Customer-provided equipment and appended to the Service Order to which use of that equipment relates ("Customer Equipment Inventory"). The Company shall not be obligated to provide service if the Customer will be providing any of its own equipment unless and until such equipment is itemized on the applicable Customer Equipment Inventory.

SECTION 2 - RULES AND REGULATIONS (Cont'd)

2.12 Customer Equipment and Channels

2.12.1 Interconnection of Facilities

2.13 Customer Deposits

2.13.1 General

- A. To safeguard its interests, the Company may, at any time prior to or after the Service Commencement Date, require a Customer to post a deposit or irrevocable letter of credit, at the Company's option, to secure the Customer's payment for the term of the service requested. Nonresidential customer deposits shall not exceed 2 1/2 times that customer's estimated maximum monthly bill.
- B. When a service is discontinued, the amount of a deposit, if any, will be applied to the Customer's account and any credit balance will be refunded. Before the service is discontinued, the Company may, at its option, return the deposit or credit it to the Customer's account. If the amount of the deposit is insufficient to cover the balance due to the Customer's account, the Company retains the right to collect any amounts owing after the deposit has been applied plus any costs related to the collection of any remaining balance.

SECTION 2 - RULES AND REGULATIONS (Cont'd)

- C. Interest on deposits shall be paid at a rate of 5% per annum for deposits held for six months or more, in accordance with the rules of the Commission.

2.13.2 Failure to Post a Deposit

SECTION 2 - RULES AND REGULATIONS (Cont'd)

2.14.2 Billing and Collection of Charges

The Customer is responsible for payment of all charges incurred by the Customer or other users for services and facilities furnished to the Customer by the Company.

- B. The Company shall present invoices for Recurring Charges monthly to the Customer, in advance of the month in which service is provided, and Recurring Charges shall be due and payable with thirty (30) days after the date of the invoice (“Due Date”). - C. When service does not begin on the first day of the month, or end on the last day of the month, the charge for the fraction of the month in which service was furnished will be calculated on a pro rata basis. For this purpose, every month is considered to have thirty (30) days. Prorated charges are billed following receipt of service and are due and payable within thirty (30) days after the date of the invoice (“Due Date”).
- D. Billing of the Customer by the Company will begin on the Service Commencement Date, which is the day on which the Company notifies the Customer that the service or facility is available for use.
- E. The Company may make billing adjustments for a period of two (2) years after the Due Date of an invoice, or two (2) years after the date a service is rendered, whichever is later.

SECTION 2 - RULES AND REGULATIONS (Cont'd)

- F. If any portion of the payment is received by the Company after the Due Date, or if any portion of the payment is received by the Company in funds that are not immediately available upon presentment, then a late payment penalty shall be due to the Company. The Company shall not charge a late fee on a previously unpaid late fee. The late payment penalty shall be the portion of the payment not received by the date due, multiplied by a late factor. 2.14.4 Suspension of Service for Cause

- A. In the event payment in full is not received from Customer on or before thirty (30) days following the date of the invoice, the Company may suspend all or any portion of service to the Customer. The Company shall exercise this suspension by providing Customer with a minimum of ten (10) days' written notice specifying the past due amount and the services to be suspended. If Company receives the entire past due amount within the ten (10) day notice period, then Customer's service will not be suspended.
- B. If only a portion of the service is initially suspended pursuant to the Company's written notice, and Customer fails to pay the specified past due amount within an additional ten (10) days after the partial suspension of service, then after the additional ten (10) day period, Company may suspend all or any additional portion of the service, with no additional written notice. Further, after the additional ten (10) day period, Company may continue suspension until such time as Customer has paid in full all charges then due, including any late fees as specified herein. A. Order Change Charge – Change of Service Date

If a Customer desires to change the date on which Customer has requested that service be available, other than a request to expedite service pursuant to Section 2.8.5, such change shall be subject to Company's acceptance at Company sole discretion. Customer will also be charged for any charges incurred by the Company from third party providers as a result of Customer's request for change of service date.

SECTION 2 - RULES AND REGULATIONS (Cont'd)

B. Order Change Charge – Change of Information in a Service Order

No Order Change Charge will be incurred, however, if such requested change is administrative in nature (i.e., billing address, contact information, etc.).

C. Cancellation of Service Order

Customer may cancel a Service Order if Company receives the request in writing at least five days prior to the planned installation date.
